1 v. tseregin on human rights declaration anniversary.

G HR (rpt polish 051400) (port 1800)

1  
2 valeriy (kuligin) on un declaration of human rights adopted 35 years ago. points out human rights, above all equality as one of such rights, cannot be realized in capitalist society, because there is exploitation of workers. one cannot talk of freedom of personality in capitalist society as well. the socialist society has established just social relations, it guarantees participation of citizens in state and public affairs, citing basic principles enshrined in soviet constitution.

(8 min: german 1700)

77 ahmad darghan, rector of damascus univ on stand of syrian  
spl toward attacks on them by u.s.-israeli strategic alliance,  
maintaining this shows that u.s. is trying to impose its  
hegemony over mideast region, and is also trying to keep away  
arab natlib mvmt from its natural ally -- socialist community  
led by ussr, pointing out camp david accord was first step to  
impose this hegemony, stressing syrian's struggle for a just  
peace based on an israeli withdrawal and securing of legitimate  
rights of palestinians. arabic 1500) US
